

Hello Sundance Parents,

Welcome back to school and thank you so much for being part of our community! I hope you and your children had a great first week of school. My name is Celeste Atienza and my son, Jake, is in the Sun Room.

I am excited to serve as your Sundance Parents' Association (a.k.a. SPA) President for the 2016-2017 school year. SPA's mission is to increase involvement and promote a positive environment and sense of belonging within the Sundance community as well as subsidize educational programs and entertainment for Sundance families.

Wondering what you can do to help?

SPA provides many opportunities for you to put your time and talents to good use and get more involved within your children's education. Together, with your help, in addition to our excellent faculty and staff, we can make this year a vibrant one.

Below you will find a list of volunteer opportunities that we would like to fill within the next few weeks. It is a great way to get to know the faculty (and staff) on a more personal level and get into the classroom with your children.

- Class Parents
- Fundraising
- Book Fair
- Yearbook
- Community Service
- Social
- Teacher Appreciation
- Garden
- Beautification (bulletin boards)
- Family Fun Day
- Special projects and Assemblies
- Marketing

A more detailed description of these opportunities will be available on the SPA portal of the school website (theSundanceSchool.com).

Please remember that no matter how big or small the contribution, your time and effort is greatly appreciated. I value your input and opinions. If you are interested in a larger role, volunteering for anything not mentioned, or just want to grab a cup of coffee, please email me so we can work out the best time to meet and discuss.

To get involved please email SPA at: SPA.communications@thesundanceschool.com.

Last, but not least, do not hesitate to stop me in the hallways to say hi or reach out to me for any reason at all. I look forward to meeting all of you.

Warmest Regards,
Celeste
